

**FRESNO, CALIFORNIA
CLASS SPECIFICATION**

UTILITIES CUSTOMER FIELD TECHNICIAN

FLSA STATUS:

Non-Exempt

CLASS SUMMARY:

The Utilities Customer Field Technician is the first and entry level in a four level Code Compliance Utilities series. Incumbents are responsible for performing utility service functions in the field and dealing with customers face-to-face for billing and collection purposes, including turning on and shutting off water, meter reading, and inspecting property to verify that services and charges are correct.

The Utilities Customer Field Technician is distinguished from the Utilities Customer Field Specialist, who is responsible for performing more complex research and assignments associated with utility services.

TYPICAL CLASS ESSENTIAL DUTIES: (These duties are a representative sample; position assignments may vary.)

**FRE-
QUENCY**

1.	Operates and trouble shoots a variety of tools, equipment and vehicles utilized in utility customer service operations, including related computer hardware and software.	Weekly 80%
2.	Implements water turn-ons and shut-offs in accordance with established practices, policies and procedures.	Weekly 50%
3.	Responds to requests for service calls, prioritizing and determining most efficient routing to ensure completion of tasks within specified timeframes.	Weekly 10%
4.	Performs a variety of administrative support activities in support of division operations, which includes: processing mailings; research computerized records; maintaining records; issuing delinquent notices; processing and collecting overdue payments; reporting hazards encountered in the field; and/or, performing other related activities.	Weekly 10%
5.	Collects water meter reads by driving and/or walking a specified route within the City. Performs minor water meter maintenance.	Weekly 30%
6.	Inspects properties for billing purposes, including private hydrants and sprinklers, domestic and irrigation-only metered service, square footage of flat rate parcels, bins, sewer or septic service, well service, and inquiries, problems, and/or complaints associated with high or low consumption.
